

Austrian Center for Digital Production (CDP) Centurio WS - Scenarios

Ein Fonds der
Stadt Wien

1. Mr./Mrs. X

Workshop - Centurio

Scenario - Mr./Mrs. X

Situation:

- new employee is joining the CDP
- he/she just signed the contract and is starting the first day of work
- he/she wants to get to work → help him/her to on-board

Picture

Tasks:

- model the entire on-boarding process as it should be
- during the process he/she needs a NextCloud account, a wiki certificate, a mail account and Git access
- he/she must order a new computer (after choosing a laptop with his/her colleague) and requires a key card to access the office

2. Right Timing

Workshop - Centurio

Scenario - Right Timing

Situation:

- a new time tracking system has been introduced in your office
- Despite some bugs, everyone gets along with it
- You are particularly smart and are already familiar this new system and its features → help your colleagues

Picture

Tasks:

- model the whole process of booking your time including log in, selecting the project (after asking one from controlling to tell you on which projects you are working) and ending the project
- You must be able to apply for a holiday via the system
- include the subprocess of the scenario of making a wrong booking and delete it

3. Data, Data,

Workshop - Centurio

Scenario - Data,data,

Situation:

- you are member of a data analysis project
- the company you are working with is a bit old-fashioned and provides the data using simple spreadsheets
- You are very ambitious and want to change the situation for future projects → define the optimal process of data collection

Picture

Tasks:

- model the whole process of gathering the data from the customer including tasks such as setting up meetings, telling them the consequence of not providing data, agreeing on realistic goals
- you should offer them different possibilities to share the data i.e. REST Interface, SQL dumps,
- Should you fail to gather enough data → organise a workshop to help solving this problem

4. The Big Break

Workshop - Centurio

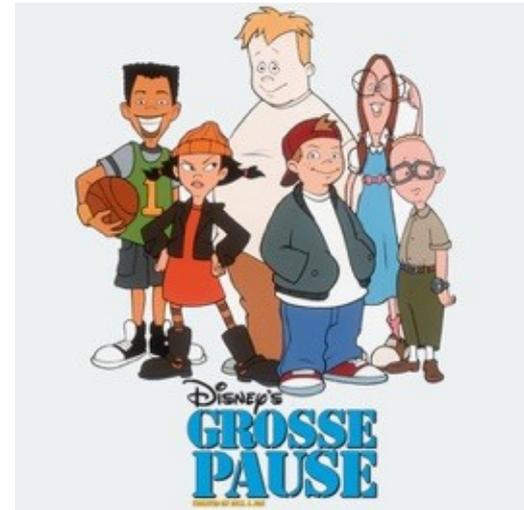

Scenario - The Big Break

Situation:

- Everyday you and your colleagues have lunch together
- At your working place, options are limited but you are trying to make the best out of it
- You are a foodie → try to list all different possibilities for lunch in Seestadt

Picture

Tasks:

- model the whole process of organising lunch including tasks like „asking your colleagues to join“ , decide on spar vs. Something else, „enjoy lunch together“ & „having interesting conversations“
- decide on what you do after lunch i.e. having sweets or playing game of „Exploding Kittens“
- provide a guidance on how to toast bread using the micro wave

5. Be a Hero

Workshop - Centurio

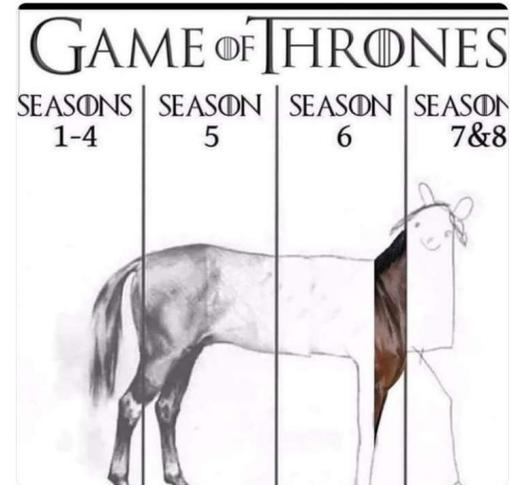

Scenario - Be a Hero

Situation:

- Game of Thrones is over – long live Game of Thrones
- The last season of this tv-show contains the most screwed up ending ever
- You are a big fan → save the world and provide an alternative ending

Picture

7:10 AM - 20 May 2019

Tasks:

- model the whole sequence of events focusing on the battle of winterfell
- cavalry is not allowed to charge into the dark, even with burning swords
- don't seek shelter in the crypt of Winterfell
